

Internap Executives to Present at Thomas Weisel Partners 2006 Internet & Telecom Conference

ATLANTA - March 2, 2006 - Internap Network Services Corporation (AMEX: IIP), a leading provider of performance-based routing solutions over the Internet, today announced that James P. DeBlasio, president and chief executive officer, and Andrew Albrecht, vice president of corporate development and investor relations of Internap, will speak at the Thomas Weisel Partners 2006 Internet & Telecom Conference on March 9th, at 11:30 a.m. Pacific Time at the St. Regis Hotel in San Francisco.

Mr. DeBlasio and Mr. Albrecht will present the Internap business model and its portfolio of technology solutions, which includes high-performance IP services, colocation services and proprietary route optimization products. Internap is among a select group of companies invited to attend the private event.

A live audio Webcast of the presentation will be available on the Investor relations section of Internap's website at www.internap.com.

About Internap

Internap is a market leader of intelligent route control solutions that bring reliability, performance and security to the Internet. The company's patented and patent-pending technologies address the inherent weaknesses of the Internet, enabling enterprises to take full advantage of the benefits of deploying business-critical applications such as e-commerce, Voice-over-IP (VoIP), video-conferencing and streaming audio/video across the Internet. Through a portfolio of high-performance IP and WAN optimization solutions, customers can bypass congestion points, overcome routing inefficiencies and optimize performance of their applications. Internap solutions are backed by an industry-leading performance guarantee that covers the Internet as opposed to just one network. These offerings include: network- and premise-based route optimization solutions, colocation, VPN, content distribution and managed security services.

Internap currently serves more than 2,000 customers, including Fortune 1000 and mid-tier enterprises in the financial services, government, travel/hospitality, manufacturing, media/entertainment, technology and retail industries. The company provides services throughout North America, Europe, Asia and Australia. For more information, please visit the company website at www.internap.com.
